HealthCare

Company Profile   2025

About us

Behind every healthy practice is a team that understands the numbers.

Uraan Tech Healthcare is a dedicated healthcare support services company specializing in dental billing, patient scheduling, & revenue cycle management (RCM). Our certified team provides HIPAA-compliant, results-oriented solutions that help dental practices improve cash flow, reduce administrative burdens, & enhance patient satisfaction. Whether you're a solo dentist or part of a growing group, we offer flexible, scalable support without the cost & complexity of in-house staffing.

Why Uraan Tech Healthcare

1 100% Dental Billing Focused

We specialize exclusively in dental billing. It's not just a service, it's our core strength.

1 Certified Billing Experts

Our team is composed of certified professionals with deep knowledge of CDT codes, cross-coding, and specialty dental billing (Ortho, Endo, OS, Pedo).

1 Increased Revenue by 20–40%

Our clients regularly experience significant revenue growth through cleaner claims, faster collections, and reduced denials.

1 HIPAA-Compliant & Secure

We strictly follow HIPAA regulations, ensuring complete data privacy and protection for your patients and practice.
